Borough Council

... bridging the communities ...

About us

Elmbridge Borough Council is a local authority at the heart of the community. We are a compassionate and progressive organisation; one that prides itself on listening to our customers and to providing high quality services as cost effectively as possible.

With a gross annual expenditure of £100m, we have a workforce of over 300 people and are supported by 48 Councillors, countless volunteers and numerous partner organisations.

As a Borough Council, Elmbridge is responsible for services such as waste and recycling, housing, planning, community support services, parks, playground and green spaces. Underpinning all that we do in Elmbridge is the '[Council Plan](#)' - our strategic plan of work.

Our vision is to be a responsive and effective Council, protecting and promoting the interests of residents and businesses.

Our priorities for 2018/19 are based on the following themes:

- Character and environment
- Quality services
- Economic development
- Community wellbeing

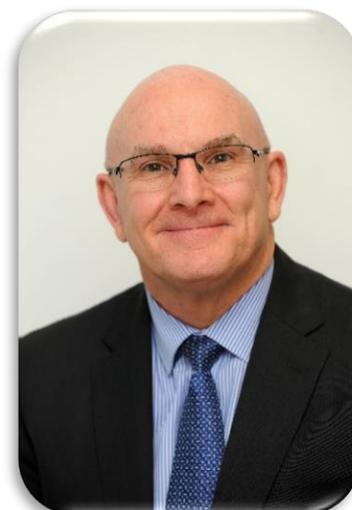

Great services need great people

Thank you for your interest in Elmbridge Borough Council. Elmbridge is a great place to live and work and the Council has a strong reputation among residents, staff and Councillors. We work hard every day to maintain and enhance this based on excellent service delivery.

We are a values-based organization - 'customer service', 'respect' and being 'progressive', lie at the heart of all that we do. We believe in collaborative working, challenging ourselves to work smarter and we believe our residents should come first.

We place great emphasis on involving employees and working across traditional job boundaries. We do this not just to maximise personal development and commitment to the Council, but also because we recognise staff as a talent pool that can be used for the generation of new ideas and to take forward projects for the benefit of our community.

We try to achieve the highest standards and deliver great services by recruiting the very best people.
