

Role profile

Here's more about the job!

Role/s	Principal Highway Development Management Officer	Date Prepared	January 2019
---------------	--	----------------------	--------------

Your Team

- The Highways Development Management Team supports the Regeneration and Business Directorate by reviewing and evaluating the highways and transport implications of development proposals and by negotiating improvements to mitigate the impact of development-related traffic on the public highway.

Your Customers

- Elected Members
- Planning and other officers across the council
- Residents, local businesses, planning applicants and their consultants
- Statutory and non-statutory organisations and stakeholders
- Highways service providers

Your Role

- Assess, analyse and report the transport implications of major development proposals in a timely manner
- Act to ensure the adverse impacts of development are mitigated through highway improvements and sustainable travel choices
- Advise and guide applicants and their agents to facilitate high-quality planning applications
- Commission and oversee the work of external consultants in evaluating Transport Assessments
- Prepare evidence, statements, proofs of evidence and act as a witness at public inquiries, hearings and planning appeals
- Assist colleagues to develop and apply planning and highway design standards to ensure the efficient management of CBCs Highways Assets

Health and Safety

- Regular exposure to mental health pressures and demands.
- Visual display - intensive use.
- Risk of verbal abuse.
- Risk of physical assault.
- Working alone.
