Job title: Assistant Educational Psychologist

Reports to: Principal Educational Psychologist

Job purpose

To deliver a service to schools, early years settings, families, young people, the community and Local Authority using strategies and techniques that are grounded in applied psychological and educational theory and principles in order to maximise the achievement of all young people and to promote inclusion.

To support in the provision of Psychological advice as part of the statutory assessment of children and young people with special educational needs under the 1996 Education Act.

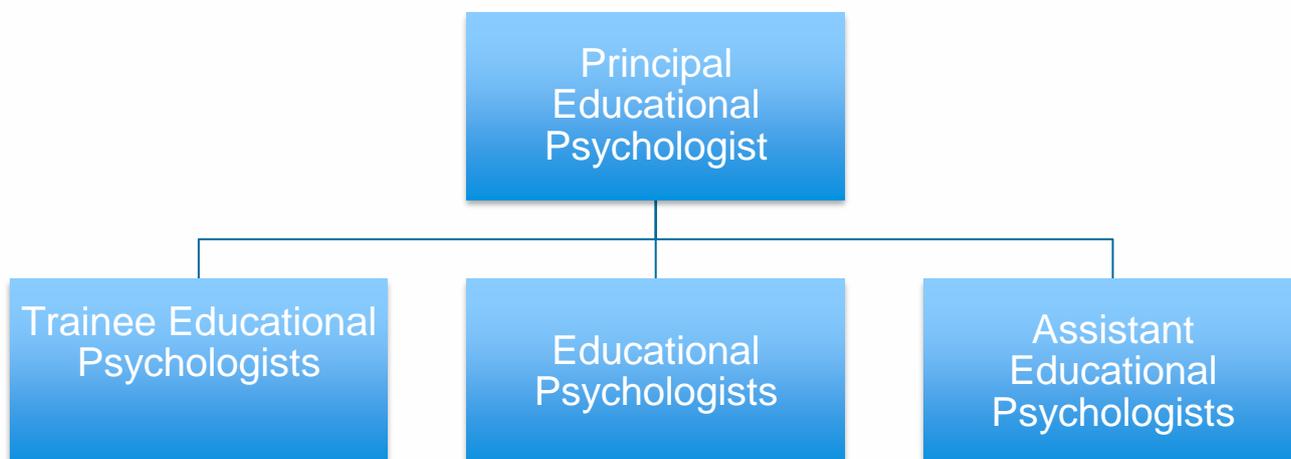

To support internal review and evaluation processes within the Local Authority.

Main accountabilities

To support in the delivery of a service to schools, early years settings, families, young people, the community and Local Authority using strategies and techniques that are grounded in applied psychological and educational theory and principles in order to maximise the achievement of all young people and to promote inclusion.

1. To affect change within individuals and groups through the application of psychological knowledge, theories and processes.
 - 1.1 To promote organisational change within early years settings and schools, in the interests of raising achievement and the emotional well-being of children and young people.
 - 1.2. To work collaboratively with others to ensure smooth transitions for vulnerable pupils.
 - 1.3. To support schools in meeting the Department for Education and Local Authority targets in raising pupil attainment, reducing the number of Special Educational Needs (SEN) statements and exclusions.
 - 1.4. To work jointly with other services to promote emotional health and well-being and raise the educational outcomes for all pupils, paying particular attention to vulnerable groups, such as children in public care or from an ethnic minority
 - 1.5. To work in collaboration with other Local Authority services to provide professional development and training for a range of others.
2. To support in providing psychological advice as part of the statutory assessment of children and young people with special educational needs under the 1996 Education Act.
 - 2.1 To support in ensuring psychological advice is provided to the Local Authority within the statutory timeframes and following service guidelines.
3. To contribute to internal review and evaluation processes within the Local Authority.
 - 3.1. To support in providing innovative research and on-going project work on behalf of the Local Authority, other services and schools.
4. To participate in personal and service professional development activities which will enhance expertise and the ability of the post-holder to contribute to the work of the Service.
 - 4.1. To engage in Personal Development Reviews and supervision provided within the service
